- Funding opportunities and training grants
- Access to programme of free or discounted training courses
- Marketing support and inclusion in national campaigns
- A dedicated network coordinator
- A chance to connect to similar organisations
- Advocacy with a national voice
- And more...

### More on the benefits of joining the network

	<p><b>Free to join</b> You provide free or low cost access to the internet, along with help and support to get at least three people started per month</p>
<b>eLearning platform</b>	✓
<p><b>Personalised data</b> Measure your impact, demonstrate results to funders or track individual learner activity with daily-updated delivery statistics for your centre.</p>	✓
<p><b>Centre search</b> Get your organisation listed on our national search database. Learners in your local area will be directed to you via our nationally-promoted freephone number (0800 77 1234) or our online search.</p>	<p>✓ Priority listing</p>
<b>Funding</b>	✓

<p>The chance to apply to our annual funding programmes and access to smaller grants throughout the year. Regular funding newsletters signposting you to other national funding opportunities.</p>	
<p><b>Training</b> Access to programme of training courses, including online webinars, face-to-face courses and nationally accredited qualifications.</p>	<p style="text-align: center;">✓ All courses free or heavily discounted</p>
<p><b>Marketing</b> Engage more learners and promote your centre within your local community with our marketing packs, plus training and support for two national campaigns per year.</p>	<p style="text-align: center;">✓ Free marketing packs, downloads, online training and support</p>
<p><b>Network support</b> Get friendly expert support from our team of Network Support Coordinators, contactable 5 days a week by phone or online.</p>	<p style="text-align: center;">✓ Your own dedicated Network Support Coordinator, weekly newsletters and logged in access to our website resources</p>
<p><b>Peer support</b> Find and connect with similar organisations in your area, learn from others and share best practice and new ideas through face-to-face events and online forums.</p>	<p style="text-align: center;">✓</p>
<p><b>Advocacy</b> Be part of a network with a national voice, championing your needs with government and key decision-makers.</p>	<p style="text-align: center;">✓</p>
<p><b>Deals and discounts</b> Access to software, hardware and connectivity deals we negotiate for the network.</p>	<p style="text-align: center;">✓ Access to all deals</p>
<p><b>...and more!</b> Digital tools and websites, the chance to offer City &amp; Guilds accreditation, your say on how the UK online centres network grows and develops.</p>	<p style="text-align: center;">✓</p>
